# RP LC-9 NightStrike Landing Craft

## MULTIPLE MISSIONS – MULTIPLE CONFIGURATIONS MULTIPLE ENVIRONMENTS

### RP LC-9 NightStrike™ Landing Craft by Hard Drive Marine

The **RP LC-9 NightStrike** by Hard Drive Marine incorporates a number of innovative Hard Drive Marine features including a massive Maxgate landing door, a mobile console, and a hidden queen berth.

This aluminum landing craft is built to carry a full-size pickup truck with room to spare. The Maxgate, with extra heavy duty hydraulics not only allows you to drive large vehicles on and off the beach, it will easily lift the truck as well.

The mobile console allows the captain to position himself anywhere necessary on the boat, ensuring maximum visibility, comfort, and safety, regardless the configuration of the load.

The open design of this boat allows the use of custom deck components that can be placed or removed as needed. Components can include cabins, elevated bridges, pump tanks, dry cargo containers, haz-mat kits, row seating, and more.

**MAXGATE**
