Bringing more **ASSETS** to the fight!

More Stability Means More Focus for the Job at Hand.

WATERCRAFT STABILITY

BRAKING

Avoid obstacles and recover anything or anyone in the water with acute accuracy.

PURPOSE

Whether it's for fun in the sun or rugged water rescue – we'll build it to fit.

AGILITY

Extra stability in the water means more agility with less concern of tipping.

POWER

Whether it's just you or you're pulling a water rescue – power is not an issue.
